Discipleship is not easy. One would think that being with other disciples would make it easier; however, we are too often the greatest stumbling blocks to each other. It is normal for people to have disagreements and different priorities. The problems become obstacles when we insist that our views are the "right" ones and refuse to consider other views and will not tolerate compromise. The Spirit speaks through each one of us but that message is always filtered through our personal faults and blind spots. We need to listen respectfully to each other. To reflect prayerfully and seek to learn what the Spirit is trying to tell us so that we can move forward together.

Encourage one another. Live in harmony and peace, and the God of love and peace will be with you ~ 2 Corinthians 13:11

Theology on Tap!

Theology on Tap brings interesting speakers to local establishments each month for fellowship and discussions about topics important in our lives today, all while enjoying your favorite beverages and snacks. This month's session will be :

Thursday, June 30th , 7:00 pm
Bullwacker's Pub, 653 Cannery Row, Monterey

Our topic this month is "Divorce and Its Impact on Families" with Sheilah Lynch, Director of Family Life Ministries for the Diocese of Monterey, leading the discussion. Divorce remains all too common in our country, despite the damage it does to families and the alienation it creates between parents and children. What does Jesus teach us about family life? How do we respond to his call? How can we strengthen marriage and families to prevent divorces? Come and Join in a lively discussion while enjoying great refreshments!
