Even the disciples of Jesus, who had heard the Scriptures all their lives, did not truly understand them. When Jesus explained the Scriptures to them, they found a new and deeper insight. We hear readings from the Scriptures at every Mass; but, how well do we understand them? Perhaps, it is time to consider doing a little more. What can you do to gain a better understanding of the Bible?

You will show me the path to life, fullness of joy in your presence, - Psalm 16:11
