How do you pray? Do you simply recite prayers or do you talk to God? Why and when do you pray? God knows our heart and our needs and does not require us to tell him. We put our hopes and needs into words of prayer so we can hear them and see what we are asking for. Paul tell us to "present our needs to God in every form of prayer and in petitions full of gratitude." Gratitude is always to be included in our prayers. How do you pray?

God's own peace, which is beyond all understanding, will stand guard over your hearts and minds, in Christ Jesus. - Philippians 4:7
