Our Faith should give us a different perspective on life. It should enable us to hope that God will help us find the good in the midst of disasters and to trust that with God's grace we can go on. Faith helps keep our focus on what we can do and give rather than on what we have and can get. Do you allow your faith to influence your perspective on life?

*May your kindness, O lord, be upon us
 who have put our hope in you.
 - Psalm 33:22*
