

Feast of the Most Holy Trinity June 3, 2007

Even though the disciples had spent many years with Jesus, they did not know everything. Jesus promised to send them the Spirit to guide them. They had to continue to grow in their understanding of Jesus' teachings. They did not always agree with each other. They had to listen to each other, reflect and pray for guidance. What do you do to deepen your understanding of Christ's teachings? As long as we live, there is more to learn. Are you open to what the Spirit would teach you?

The Spirit of truth will guide you to all truth.

— John 16:13
