Reminders of the Month! –

If you are asked to bring the ciborium and pyx to the altar, remember –

The designated person should carry the ciborium and pyx with low gluten hosts to the altar as soon as but only after the eucharistic ministers have left the sanctuary. It's really important to make the pyx with the low gluten hosts available right at the beginning of the communion procession in case someone who needs a low gluten host is sitting in the front pew.

Also:

After the priest's communion, he will distribute the Body of Christ to the eucharistic ministers and altar servers. Next he will offer the cup to the eucharistic ministers. **STAND CLOSE TO THE ALTAR STEP SO THAT THE PRIEST DOESN'T HAVE TO MAKE LONG TRIPS TO AND FROM THE ALTAR IN HIS EFFORT TO DISTRIBUTE COMMUNION AND COMMUNION VESSELS.**

AND WHEN WE HAVE A VISITING PRIEST, STAY FLEXIBLE AS HE MAY PREFER YOU TO COME TO HIM FOR THE CUP, RATHER THAN GOING UP AND DOWN THE STEP HIMSELF.
